

UNITED STATES BANKRUPTCY COURT FOR THE
MIDDLE DISTRICT OF NORTH CAROLINA
JUDICIAL FEEDBACK SURVEY FOR JUDGE BENJAMIN A. KAHN

Judge Benjamin A. Kahn of the United States Bankruptcy Court for the Middle District of North Carolina asked the [Federal Judicial Center](#) (FJC) to survey attorneys and trustees to obtain feedback about his judicial performance. The FJC is the research and education agency for the federal courts. The judge's decision to ask the FJC to conduct this survey is entirely voluntary and reflects Judge Kahn's ongoing commitment to provide the highest level of public service possible.

During the week of **October 29th**, the FJC will send an invitation email to attorneys and trustees who have practiced before Judge Kahn in the past five years, including attorneys involved in Blackjewel LLC-related matters in the Southern District of West Virginia. The email will explain how to access and complete an online questionnaire.

The survey procedure is set up so responses are anonymous, even to the researchers. Research staff at the FJC will compile the responses and provide Judge Kahn a report. The report will include the comments that are provided in response to the open-ended questions and tables or figures aggregating the results for the closed-ended questions. The survey report is exclusively for Judge Kahn's use in improving his performance.

If you do not receive an invitation email from the FJC and want to participate, please contact Jessica Snowden of the FJC at 202-502-4049 or at jsnowden@fjc.gov.

If you have questions about the survey or encounter any technical difficulties, please also contact Jessica Snowden.
